FOUNDED JUNE 17, 1961 - ST. ALBERT'S 100 ANNIVERSARY

July 18, 1964 Vol. 4-28

*Youville Residents at the entrance of Storyland Valley Zoo, scene of their Annual Picnic provided by the Marguerite d'Youville Auxiliary.*

## YOUVILLE ANNUAL PICNIC

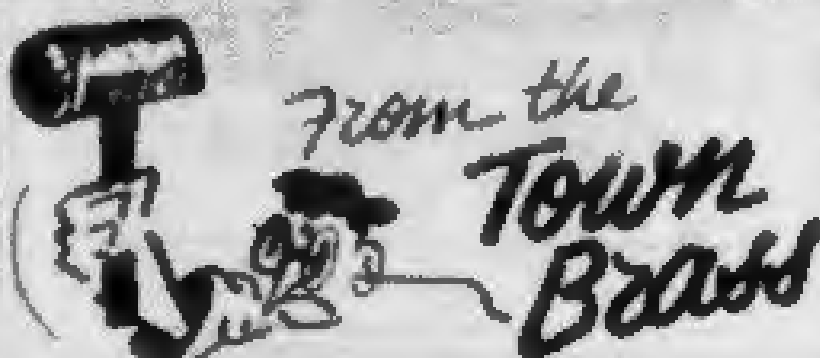

Wednesday, July 8th was a big day for the residents of the Youville Home. It was the day of their Annual Picnic trip to Storyland Valley Zoo.

The weatherman co-operated with a calm hot 'ideal picnic' day. Some 60 residents, including one gentleman 96 years young, were transported by car, Callow Coach, bus especially equipped with removable wheelchairs and a rear loading

ramp. The Youville Auxiliary ladies and some of the Home's staff assisted with the residents and pushed the wheelchair patients on their 'walk round' the zoo. A delicious sandwich and cake lunch and cool drinks finished off the day. For many of the residents this picnic is the event of the summer and the good times had will be talked about for weeks to come.

Convenor Mrs. Wilson and the 20 or more Auxiliary members who organized transportation, pushed wheelchairs and served the picnic lunch are to be commended for their selflessness.

Mrs. Tremblay of the Home thanked the Auxiliary ladies on behalf of the residents. Certainly the patients' applause showed how truly appreciated this project is.

Council Meeting June 22

**Jasper Auto Parts Ltd.** Mr. Cohen, owner of Jasper Auto Parts Ltd., agreed to deposit a sum of \$200. with the town, to assure that his property along Hwy. #2 will not again be made unsightly by the storage of used car bodies outside the fence area. Councillor Wheatling moved in regards to this that our solicitors be advised to proceed with the preparation of agreement for a Consent Injunction and that the finalized agreement, together with the \$200. deposit, be presented to Council. Councillors Skrobot and Fowler were opposed to this resolution.

Council Meeting July 13

**Recreation Board** As Mrs. Merle Vasciron had resigned from the Recreation Board, Mr. R. Hudson was appointed by Council. Mr. Hudson lives at 52 Gillian Cres.

**R.C.M.P. Report** Sgt. Lyndon reported to Council that he had a meeting with the petitioners who were requesting prohibition of the sale of rifles and ammunition to persons under 16. He reported that the Federal Act doesn't prohibit the purchase of BB guns for boys over 14, therefore he suggested that Council send a letter to the Town Solicitor to study the form of a new Bylaw for our town, prohibiting the use and the purchase of BB guns, air rifles, pellet guns, ammunition, etc. to all persons under 16. Council decided to seek advice of their solicitors and the question was tabled to the next meeting.

**Voyer Sheet Metal** Council received a letter from Voyer Sheet Metal regarding an application from this firm to rent a small parcel of town-owned property just opposite his shop. He informed Council that he was no longer interested as he found the price (\$107.) too high for the few months that he would use it. Councillor Wheatling moved to offer Voyer Sheet Metal this piece of land for \$10. per month on a monthly basis. Councillor Powell made an amendment to this motion saying, "with a minimum charge of \$30. per year."

**Deputy Mayor** Councillor DeBruijn was appointed Deputy Mayor from July 14th to the next election in October.

**Purchase of Curling Rink** Town solicitors have advised Council by letter to approve the purchase of the Curling Rink in "principle" only. They stated that a definite commitment cannot be given by the town until the Minister of Municipal Affairs or his deputy is informed and can agree. Councillor Fowler's Notice of Motion came under long discussion.

This motion read as follows:

" - that the Town purchase the Curling Rink and land and equipment, for \$106,000.00, by September 1st, 1964, providing:

- (1) clear of all debts and encumbrances.
- (2) The Provincial Government will agree that for the first five (5) years the Town will be responsible for interest only and during the sixth and subsequent years the Town will be responsible for Principle and Interest on the Debenture
- (3) that the Provincial Government will approve the use of the money By-law in the sum of \$95,000.00 against the purchase price of \$106,000.00.
- (4) that the present Corporation turn over their financial statements for the previous two years' operation.
- (5) that the \$106,000.00 is established as a safe price in relationship to current market values by Town appointed Appraisers.
- (6) The previously mentioned provision to be met to the satisfaction of the Council as a whole before final ratification of the purchase agreement.

Councillor Fowler made an amendment to his motion which read as follows: "that this Council approves in principle the purchase of the Curling Rink, land and equipment, etc." All Council members except Councillor Skrobot voted in favor of this motion.

**Probations Officer's report** At the request of Mr. Harry Armstrong, Town's Probation Officer, there will be a meeting between the Town's Welfare Committee and himself regarding the matter of more prevention of delinquency.

**By-law #29/64** This by-law to authorize the several mill rates of taxation for the year 1964 had only one reading. It needs the approval of Council and the Local Authorities Board before it will be a legal by-law. This by-law reads as follows:

WHEREAS, the total Expenditures of the Town as shown in the Estimates of Revenue and Expenditure for 1964 are as follows:

|                     |                     |
|---------------------|---------------------|
| Debt Charges        | \$ 119,965.         |
| Municipal           | 562,166.            |
| Education           | 374,411.            |
| Hospital and Health | 51,160.             |
|                     | <u>\$1,107,702.</u> |

- (1) THAT the Senior Administrative Officer (Secretary-Treasurer) be, and is hereby authorized and required to levy the following rates of Taxation on the assessed value of all Real Property (land, buildings & improvements), as shown on the Assessment and Tax Rolls:
- |              |         |
|--------------|---------|
| Debt Charges | 9.61 #  |
| Municipal    | 11.29 # |

## Education

|                      |       |                |

**STURGEON HEALTH UNIT****Food Poisoning**

How are you standing up, housewives, under devastating, drooping, dripping hot weather? More important, how are your food supplies standing up? Easy preparations are popular - such as salads and sandwiches but the products are more perishable. Don't spoil summer fun with careless food handling.

The old misnomer, "ptomaine poisoning", correctly known as Staphylococcus Food Poisoning, is a common cause of food upset in the summertime. This is the same organism which causes boils and septic wounds, etc., and may also be found on the skin of healthy people. If food (particularly ground meat, ham, cream or custard filled pastries, potato salad and salad dressing) is contaminated by "Staph" and then kept for a few hours at temperatures above 50 degrees, a poison is formed in the food and is not necessarily destroyed by subsequent cooking. Such illnesses as "gastric flu", and "24 hour flu" are often cases of food poisoning from "Staph". Symptoms commence anytime from  $\frac{1}{2}$  to 12 hours after the meal. The acute illness usually subsides within 24 hours but there is often malaise for a few days after.

**Prevention**

1. Persons with cuts, boils, pimples, respiratory infections should not prepare foods.
2. Foods are not to be handled without handwashing.
3. Hands should always be washed after using the bathroom.
4. Perishable foodstuffs, as mentioned, should not be kept for any length of time unless well refrigerated.
5. Domestic animals should not be allowed in kitchens or other places where food is prepared.

**You  
are  
responsible**

Secretaries, you are responsible for seeing that the name and contact address of your club or organization appears in the St. Albert and District Directory. We received a very good response to our first call, but there are still some clubs and organizations who have not given us their address and name. Please write Box 569, St. Albert, or phone 599-7144.

## From Our Readers

Dear Sir,

It is nearly four year now since we came to St. Albert and we think it is a pretty nice town to live in.

In the last two years there have been added many subdivisions with beautiful homes and very well-kept gardens. When one walks along the nice treed streets it seems that everyone tries to do his part in making our town as pleasant as possible. It makes one feel proud and fortunate to live in such a beautiful town.

That is, until one arrives at the one and only (?) public picnic and play ground St. Albert possesses, then one wonders where all the nice and neat people disappeared to.

When I took my children to the Lions Park on Saturday, June 27, I was shocked to see so much filth. There were banana peels, watermelon skins, half finished sandwiches, half eaten apples, bread crusts, chocolate wrappers, candy papers

paper cups, milk and juice containers and even a big cardboard box in which, as it seemed, the party had brought their lunches. Then I remembered seeing school children eat their lunches there the day before, but I shudder at the thought that any responsible school teacher could leave such a mess behind, so I presume there must have been another party there later on in the day. We did not find any litter cans in the park, but surely they could have put all the rubbish together in the box and taken it home.

It seems to me that the least we can do in return for the enjoyable time at the park is to put our litter out of sight. As for us, we had to forego our picnic as our appetite vanished at the sight of so much waste and litter.

On our way back we crossed the school yard and seeing all the broken glass on the field I could not help wondering who would be so rude and leave empty bottles on a playfield. We are very fortunate to have supervised and organized activities for our children this summer, but after seeing so much glass I ask myself if it is safe enough to send the little ones, as glass cuts can be very deep and
